March 13, 2020

Dear Lake City School Families,

As you may already know, Governor Whitmer has mandated the closure of all K-12 Schools in the State of Michigan due to the Covid-19 (corona-virus).

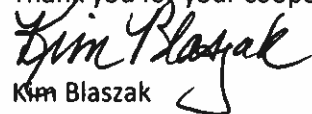

This has been a very fluid situation, and the announcement last night did not allow schools and families time to plan for this cancellation. We realize this is a very confusing time and we are unsure if this closure or the school year will be extended at this time. We will continue to monitor updates and information from the State of Michigan on the impact to local schools and our families. When this information is available we will share this with you. As always decisions will be made in the interest of student safety.

We know today that the Governor has closed the schools starting Monday, March 16th and they are scheduled to reopen April 6th. For Lake City Area Schools that means that the District will be closed starting today @ 5:00 PM with only limited access of essential personnel. We will be cleaning and sanitizing the District this next week and throughout Spring Break. Our Community Center will also be closed and cleaned during this time. Lake City Area Schools will have no scheduled activities in the District, including athletic practices, academics or events. Our approach to learning during this time is to provide students reading material and learning activities that will help to maintain student engagement.

In addition, we are making plans to provide food to our students at preplanned stops throughout the District. If you are in need of student lunches, please go to our webpage or FB page and you can sign up for a delivery location and a time food will be available. Students and families may receive Grab and Go Lunches in the circle drive at the MS/HS under the covered awning. We will not be serving any food inside the building. It is important to fill out your order for lunches in a timely manner as we will do our best to provide the correct amount needed. Please visit <https://forms.gle/h4U2vPRqD56tJ7Lz9> to provide your lunch request.

We will continue to share updates regarding our status on our website (www.lakecityschools.net), traditional media, social media and our All Call System. Please note that all offices will be closed in the District except for Central Office. Central Office will be open Monday through Thursday 9:00 AM - 3:00 PM and Friday 9:00 AM-12:00PM until further notice.

Thank you for your cooperation,

Kim Blaszak
Superintendent

The Lake City Area School community will provide an academically challenging environment that develops the intellectual, social, emotional, physical and creative well-being of all students.
