**Next Meeting June 14, 2018!**

### Meeting Objectives

1. Better understanding of Head Start locally and nationally
2. Increased awareness of NMCAA food programs
3. Continued sharing of thoughts on how our child development programs are meeting the needs of children and families
4. Improved knowledge of active supervision
5. Provide input to enhance perinatal depression and resiliency building resources and processes in HS/EHS

### *NMCAA Head Start Vision*

Helping people help themselves through staff, community and family partnership.
