

The Michigan Department of Treasury recently expanded the [MI Classroom Heroes COVID-19 grant](#) to include eligible Great Start Readiness Program (GSRP) and Head Start teachers. As NMCAA employs staff who serve in this capacity, classroom teachers who meet the criteria set forth by the requirements may be eligible for this grant. NMCAA has identified and notified those classroom teachers deemed eligible for this grant. These persons have received the Teacher Certification Form 5741, along with instructions to complete by April 9, 2021.

Any individual who did not receive Form 5741 and believes they met eligibility requirements for the MI Classroom Heroes COVID-19 grant, based on employment through NMCAA during the 2019-2020 school year, may appeal to the agency in writing. Individuals who received Form 5741, but disagree with the stated FTE designation, may also file an appeal. All appeals must be filed by April 9, 2021.
